

Jaipur Engineering College and Research Centre

Department of Computer Science

Company Name:	Skilrock
Candidate Name:	Mr. Mridul Sharma
Branch:	Computer Science

- 1) First round was an offline test which consists of Quants , Logical and Technical objective questions. Technical objective questions mainly consists of questions of DBMS and C language. One and a half hour was allotted to candidates for solving questions. Each section has nearly 20 to 25 questions.
- 2) Second Round was an online test of 120 minutes(2hrs) which they use in HR round. Questions on DBMS and 4 to 5 coding problems are asked based on arrays and loops.
- 3) Third Round is Face to face Technical round with the following questions:
 1. First of all, they ask you about your favorite 1 or 2 subjects.
 2. Questions are basically asked from those subjects.
 3. Other than that,tell me something about yourself (tell mainly about your technical skills).
 4. Something about projects.
 5. Then some questions related to your project(you must have thorough knowledge of your project).
 6. DBMS questions related to JOIN , Unique Key , Foreign Key concept(Referential Integrity).
 7. DBMS queries like 3rd maximum salary and queries on joining two tables and getting the required output.
 8. They mainly check your concepts , logics and problem solving ability.
 9. Logic based Questions (like implementing some code with minimum complexity).
 10. Questions are based on your choice of expertise .
 11. If you have chosen for DBMS, your questions would be based on that and you should be capable of solving various operations of sorting and adding tuples.
- 4) Last Round is HR round with following questions:
 1. Tell me something about yourself (apart from your resume).
 2. Reason of rejection in previous companies (if any).
 3. Your weakness.
 4. Your family details.
 5. Do you have passport at present?
 6. Can you work abroad?
 7. Tell me something interesting about yourself.
 8. Will you be comfortable in relocation?
 9. Anything you want to ask from them.
 10. What do you know about company.(Please have some information before)

Regards

Mridul Sharma
